## Helping Hands (& paws) Tree Pet Supply Drive

The Lamoine School students have been "Growing" a Helping Hands & Paws Holiday Tree in the front hallway at school. Students were able to choose either a hand or a paw to decorate at home, and then they returned the decorated hand or paw with a donation of pet supplies. (Canned or dry food, treats, toys or new/used blankets, towels or sheets for bedding). LCS collected 8 large boxes of items that will be delivered to the SPCA in Trenton after the Christmas break.

**Way to go Lions!!!**

## PATRON'S CORNER

All of us at LCS would like to send out a great big  
 to the PATRONS for another

unbelievably fantastic Christmas celebration. The "Brunch in Whoville" was simply amazing. This yearly tradition continues to be one of our favorite days of the school year, and it is because of all of the great people who put in countless hours planning the meal, assembling centerpieces, painting backdrops, and tending to all of the other tiny little details that go into such a grand event!

Thanks again, PATRONS!

*How will you outdo yourselves next year??*
